Madison County, ILLINOIS Goes Live with Public-Sector Solutions

Public Sector Solutions has just completed implementation of its Financial ERP solution for Madison County, IL. All applications offered comply with all Government Accounting Standards Board (GASB) regulations and accounting requirements in conformance with Generally Accepted Accounting Principles (GAAP) and are accordance with The Government Finance Officers Association's Governmental Accounting, Auditing and Financial Reporting (GAAFR). We have met and exceeded all the County's requirements.

Public-Sector Solutions met the project goals of Madison County by:

1. Providing a total automation environment for all aspects of financial management from revenues to outlays.
2. Reducing manual entry and paperwork to minimize potential operator errors and timely delays and ensure FASB compliant transactions.
3. Establishing a long term, professional vendor partnership to ensure system stability and continued innovation.
4. Improving staff productivity by reducing the time required to process transactions.
5. Increasing customer service and satisfaction level by providing a faster, more accurate and readily available (i.e. access via an Intranet) information retrieval process.
6. Increasing management control and accountability by providing more accurate and up-to-date data to other departments, management and the public.
7. Tracking the location and status of work at any point within the process (i.e. online requisitions).
8. Having the ability to produce management/staff reports and communications in an efficient manner.
9. Improving productivity and coordination of operations between teams.
