## Grant & Project Management Suite

Public-Sector Solutions (P-SS) is unveiling the customized USL Grant and Project Management (GPM) software. Features include:

- Integrated individual grants management databases
- Customized and robust USL Grants and Project Management module
- Provides Grants and Contracts, Proposal Application Budgeting, Expense Tracking, Indirect Cost Allocations, Sponsor Billing, Time and Effort Tracking and web-based Timesheet Entry

This benefits of GPM include:

- Complex grants and contracts management simplified by USL's integrated GPM
- Accelerated monthly closing due to the ability to interface subsidiary ledgers
- The ease of posting/closing accounts payable activity
- Simplified generating of indirect costs and sponsor billing
- Reconcile 'actual' indirect costs vs negotiated rates
- Reporting capabilities enhance analysis and save time
- Monitor budget availability in real time
- Manage the entire procurement cycle
- Allocate and track expenses proactively

You can learn more about this Suite at the April 2010 User's Conference! Stay tuned for more details. Feel free to contact Jeremy with any questions at:

## SoftArtisans Partnership

Public-Sector Solutions is proud to announce our new partnership with SoftArtisans and expanding relationship with Microsoft in bringing our customers the best in reporting solutions. Microsoft SQL Server Reporting Services (SSRS) provides a scaleable, robust platform for report writing with features like report scheduling, subscriptions (mass distribution) and drill-down capabilities. SoftArtisan's OfficeWriter add-on extends the capabilities of SSRS by allowing the development of reports in Microsoft Excel and the publishing of feature rich reports to Microsoft Excel or Word. This partnership ensures system stability and continued innovation. Clients implementing this solution have the ability to produce management and staff reports and communications in an efficient manner.

Microsoft SQL Server Reporting Services is free! To find out more about this solution and how it can be implemented in your organization, please contact Jeremy at [corporate@public-sector.com](mailto:corporate@public-sector.com) or 1.800.800.0768.

## Training

Eva Melanson, our Client Services Specialist, recently returned from training various staff members at the Archdiocese of Miami and Diocese of Palm Beach in Miami, FL. She instructed on various features of our Deposit & Loan, Insurance Billing, General Ledger and Accounts Payable modules. The training resulted in these organizations learning to optimize the flexibility, ease-of-use and efficiency of these systems.

Please contact Jeremy at [corporate@public-sector.com](mailto:corporate@public-sector.com) or 1.800.800.0768 to learn how we can help you with your training needs.
